How to download Reports

Users who have Explorer level access can download Candidate level data and Test Level data. Depending on the level of report you need click on either of the tabs. For efficient performance we recommend downloading max six months of data at any time. There are several most widely used precrafted Metrics reports readily available for download.

The screenshot shows the GED Explorer Reports interface. At the top, there are tabs for 'Test Summary', 'Test Taker Summary', 'Performance Summary', 'Candidate Drilldown', and 'Test DrillDown'. The 'Candidate Drilldown' tab is selected. Below the tabs is a blue header bar with the GED logo. Under the header bar, there are several filter fields: Gender, Last Year Income, Prep Center, Highest Grade Completed, Postal Code, Race/Ethnicity, Inmate, Option Program Participant, Test Center, and Student Age. Below these fields are two date pickers for 'Start Date' and 'End Date', with values '7/1/2020' and '12/31/2020' respectively. To the left of the main content area, there is a 'Candidate Level Selection' dropdown menu. The menu is open, showing a list of options: 'Passers', '% College Ready', '% College Ready + Credit', 'Test Takers', 'Completers', 'Passers', 'No Apts', 'First Time Test Takers', 'Repeat Test Takers', 'First Time Completers', 'Passed Math', 'Passed RLA', 'Passed Science', 'Passed Social Studies', 'Not Passed Math', 'Not Passed RLA', 'Not Passed Science', and 'Not Passed Social Studies'. The 'Passers' option is selected. To the right of the dropdown menu, there is a table with columns: 'Address', 'phone_nu...', 'email', 'city', 'zip', 'state', and 'Journey .. Journey ..'. The table is partially visible, showing some data rows. In the top right corner, there are links for 'View: Original', 'Alerts', 'Share', and 'Download'. The 'Download' link is highlighted with a red arrow labeled '4'. A red arrow labeled '1' points to the 'Candidate Drilldown' tab. A red arrow labeled '2' points to the 'Start Date' and 'End Date' fields. A red arrow labeled '3' points to the 'Candidate Level Selection' dropdown menu.

Rave Reviews

- This is very cool! Thank you – I was able to navigate there without problem. - RI for GED Tester's Test and Demographic data
- Thank you so much for getting that state column added so quickly to the Test Center Comparison. That one little thing made my weekly report this morning so much easier! - KY
- I must get in and explore. Thank you for listening and making requested changes. This was quick!! KS
- Thanks for the great work you have done on this project! We appreciate you!
