GEDWorks™: Why Wait Years for Talent?

GEDWorks is a strategic talent investment that helps frontline workers earn a GED, improving retention and mobility while building a more resilient workforce pipeline aligned to business growth and hard-to-fill roles.

- Streamlined, self-paced study plan plus 1:1 coaching from bilingual advisors.
- 40% higher pass rate vs. independent study.

- 100+ partners, including employers, nonprofits, state/local agencies, and health plans supporting ~10,000 GEDWorks graduates.
- Reducing turnover by up to 34% for graduates, GEDWorks helps employers avoid costly replacement expenses while building a more stable frontline workforce.
