Agenda

- Background on the 3 of 4 Dilemma
- Georgia's One to Go Campaign
- Campaigns from Adult Education Programs
 - Portsmouth Public Schools (VA)
 - School District of Palm Beach County (FL)
 - Johnson County Community College (KS)
- Tips for Adult Education Program Outreach
- Big Picture Overview / Closing Thoughts

Background on the 3 of 4 Dilemma

Since we started the current version of the GED test in 2014...

- 142,854 individuals have passed 3 of the 4 required GED tests and never finished the final test
- 81% of these students need to complete Math
- 11% of these students need to complete RLA
- 5% of these students need to complete Social Studies
- 3% of these students need to complete Science
- **33% of these students have selected a GED Prep Center**

Background on the 3 of 4 Dilemma

- This issue was a hot topic at our virtual meeting with State Administrators in 2021
- Following that meeting, we created a small working group of states that were planning on running 3 of 4 campaigns so members could share ideas and best practices
- In total, 13 states have conducted targeted campaigns over the past three years
- These types of campaigns have now caught on with individual adult education programs
- Now, dozens of programs across the country have run their own 3 of 4 outreach program

Our Current 3 of 4 States

Who Did We Target?

2021-2024

- Pulled 3 of 4 data from GEDTS
- Years: 2014 – 2024
- Included all students
- In the most recent campaigns, about 20,500 individuals (6500-7000 each campaign) were identified and contacted in Oct. Jan and May.

2022-2024

- Pulled 2 of 4 data from GED Analytics report
- Years: 2014-2024
- In the most recent 2 of 4 campaigns, about 17,000 individuals (5500-6000 each campaign) were identified and contacted in Oct. Jan. & May.

Administrative Decisions

- Statewide brand for Adult Education is “It’s GO Time”, so came up with “One to GO” and “Two to GO” for our campaign
- State office wanted to conduct regular outreach using existing MailChimp account
- Initial costs were staff time to implement, since our institution already used MailChimp
- Based on the first year, decided to expand efforts and add in Two to GO during second year

Implementation of Campaign

2021-2023

- State office sent four MailChimp email blasts throughout the year (excluded corrections)
- Provided 2,000 contacts to local programs
 - Combination of phone and email
 - Frequency varied from one time to multiple efforts
- Provided 1,500 contacts to corrections for follow-up

2024

- State office has sent two MailChimp email blasts for each campaign in October, January, May
- Provided about 2,800 One to GO and 2,000 Two to GO prospects to local programs (for each campaign)
- Provided about 4,000 contacts to corrections for follow-up (for each campaign)

Implementation of Campaign

Congratulations on successfully completing **3 of the 4** subjects on the **GED test!** It's never too late. Let us help you finish up what you started! Take advantage of our **FREE** Adult Education classes. Our teachers can help you prepare for your final exam.

Feeling confident that you can pass the last test without enrolling in adult education classes? That's fine, as testing is available at a testing center or proctored online in the comfort of your home.

Outcomes/Data – 2023-2024

- One to GO and Two to GO emails had a 34% open rate
- As of June 30, 2024: (3 campaigns this year)
 - One to GO:
 - **1,261** have come in to take at least one test (9%)
 - **599** have tested and passed (4% original list; 48% of those who tested)
 - Two to GO:
 - **1254** have come in to take at least one test (9%)
 - **407** have tested and passed (3% of original list; 32% of those who tested)

Overall Outcomes/Data

- Since Georgia began this work...2021-2024

2,081 individuals have **graduated!**

Lessons Learned

- Maintain thorough note-taking and records now that multiple campaigns have launched
- Engage local programs in the effort more
 - Developed a report that programs can use to monitor current students
- Establish clear timelines for analysis and generating lists to communicate to the field

Next Steps

- Conduct four rounds of outreach in FY25
 - Targeted outreach to those who tested but did not pass
 - Targeted outreach to graduates who have not enrolled in postsecondary
- New HOPE HSE Examination Grant to cover test fees
- Identify One to GO/Two to GO graduates for feature stories to encourage others
- Develop Two to GO logo and collateral
- Potentially utilize TargetX, a new customer relationship management tool, to engage prospects

How you can run your own 3 of 4 report

GED Analytics Can Run a 3 of 4 Report for Your State

The screenshot displays the Tableau GED Analytics dashboard interface. At the top, there is a navigation breadcrumb: "Explore / External / Jurisdiction / GED Analytics / GED Analytics". A search bar on the right contains the text "Search for views, metrics, workbooks, and more". Below the breadcrumb, the dashboard title "GED Analytics" is shown with a star icon, a refresh icon, and a menu icon. The owner is listed as "tableuadmin@ged.com", with a "Modified" date of "Mar 29, 2023, 4:07 AM" and an "Extract" date of "Mar 29, 2023, 4:07 AM". A note states: "This dashboard is for each user to access their individual jurisdictional test and candidate data." Below this is an "Edit Workbook" button. The dashboard features a navigation bar with "Views 8", "Data Sources 5", "Connected Metrics 0", "Custom Views 0", "Extract Refreshes 1", and "Subscriptions 0". A "Select All" button is on the left, and a "Sort By: Sheet (first-last) ↑" dropdown is on the right. The main content area contains eight report thumbnails, each with a star icon and a menu icon. The reports are: "Test Summary" (line chart), "Test Taker Summary" (table), "Performance Summary" (table), "Demographics Summary" (table with pie chart), "Appointment Summary" (table), "Passed 3 of 4 Modules" (table, circled in red), "Candidate Drilldown" (table), and "Test Drilldown" (table).

We've Added a 2 of 4 Report Under "Additional Reports" in GED Analytics

Tips for Adult Education Program Outreach

Adult Education Outreach

Option 1: Reach out to your state GED Administrator, request that they run a 3 of 4 passers report from GED Analytics

- They can run a specific 3 of 4 passers report for your program for as far back as 2017
- They can also now run a 2 of 4 passers report

Option 2: For GED Manager users, you can run reports from the Student Test Activity Page in GED Manager

- This data will be a little broader and might require a little more work but it can generate a target list

Filter in the Student Test Activity Report

Student Test Activity Report

Filters and see results.

Testing Activity	Date Range:	Exam Subject	Test Language	OnVue	Jurisdiction	Program	GED® Test Prep Center
GED Passed	01/01/2014 to 07/01/2022				Pennsylvania		Delaware County Litera
Voucher							

Last Name	First Name	City	Phone Number	DOB	Email	GED ID	VUE Reg ID	Credentialed Status	Test Center
				mm/dd/yyyy				Not Credentialed	

- Set your date range (I recommend going back at least 4-5 years)
- Under “Testing Activity,” select *GED Passed*
- Under “Credential Status,” select *Not Credentialed*

This will pull students who have passed GED tests who never credentialed.

Once you have run the report, sort by Name

The screenshot shows the 'Student Test Activity Report' interface in GED Manager. The top navigation bar includes 'GED Manager', 'Home', 'Manage Student', 'GED Direct', 'Reporting', and 'Admin'. The user is logged in as 'brian.smith3@pearson.com' with a 'Default Account'. The report title is 'Student Test Activity Report'. Below the title, there are search filters for 'Testing Activity' (GED Passed), 'Date Range' (01/01/2014 to 07/01/2022), 'Exam Subject', 'Test Language', 'OnVue', 'Jurisdiction' (Pennsylvania), 'Program', and 'GED® Test Prep Center' (Delaware County Litera). There are also fields for 'Voucher', 'Last Name', 'First Name', 'City', 'Phone Number', 'DOB' (mm/dd/yyyy), 'Email', 'GED ID', 'VUE Reg ID', 'Credentialed Status' (Not Credentialed), and 'Test Center'. Below the filters are buttons for 'Search', 'Print Score Reports (1000 rows max)', and 'Export (1000 rows max)'. The 'Rows Per Page' dropdown is set to 10. The table below has columns: Name, Email, Testing Activity, Date, Test, Subject, Language, Score, Credentialed, and Vouchers. The 'Name' column header is highlighted with a red box. The table contains two rows of data for 'Brian Smith'.

Name	Email	Testing Activity	Date	Test	Subject	Language	Score	Credentialed	Vouchers
Smith, Brian	brian.smith@gedtestingservice.com	GED Passed	1/2/14	GED	Social Studies	ENU	151	No	
Smith, Brian	brian.smith@gedtestingservice.com	GED Passed	5/27/20	GED	Reasoning	ENU	190	No	

- Click the Name filter
- This will sort alphabetically by name and show you how many and which tests a student has passed
- You can export this data into Excel

Adult Educator Outreach

- Try to keep email outreach brief and to the point
- Don't be afraid to call or text students
- Consider offering incentives to students to come back to your program (e.g. free GED Ready test, free test voucher, waive adult education program fee, etc.)
- Consider a regular schedule for student outreach (e.g. email campaign two weeks before each semester)

Are you considering running a Math Boot Camp?

- We have a Math Boot Camp session tomorrow at 11am

Big Picture / Closing Thoughts

State Outreach and Results

State	Targeted Students	Credentialed Students
Alaska	409	41
Arizona	3,028	161
Georgia (Multiyear Campaigns)	27,000	2,081
Kansas	938	194
Kentucky	846	168

Texas	11,214	1,061
Utah	1,798	236
Virginia	3,396	466
Total	58,514	5,509

National Numbers

- 14 states conducted 3 of 4 campaigns that targeted 60,888 students and 5,382 students finished their last GED test based on this outreach!
- **5,509 lives** that are now forever changed thanks to state outreach!

Final Thoughts

- Any bit of outreach that your state or program can do will make a big difference in the lives of adult learners.
- GED Testing Service remains committed to supporting your efforts on outreach and will continue to document best practices.
- No matter the level of outreach that you can provide, GEDTS remains grateful for all that you are doing to help adult learners pass the GED test.
- Please keep in touch! Email me if you are running a campaign, Brian.Smith@GED.com. My goal is to set up a similar working group with adult education programs to share best practices. GEDTS wants to learn from your experience!

Thank you!
