Ordering Free Materials through GED® PrintHub

WHAT IT IS: GED® PrintHub, previously Brand Central, is an online tool to order professionally printed marketing materials for use in reaching out to test-takers. This includes, brochures, posters, sample note boards and more. All materials are free, plus the cost of shipping and handling. Get started today at GED® PrintHub for all of your resource needs.

LOGIN TO GET STARTED:

Don't have a log in? Visit GED® PrintHub to register and create your user account.

RETURNING USER SIGN IN:

If you created a username and password with Brand Central, your information has transferred over, however you will need to follow the steps below to log in.

If you used your email address to sign in:

- Your username is your email address
- Your temporary password is gedts01

OR

If you are located at a center that previously used GED Accesspoint to log in:

- Your username is your 10 digit center id
- Your temporary password is gedts01

NOTE: After logging in, make sure to change your password under the "**my profile**" tab. This tab is located between the "**Order Manager**" and "**Shopping Cart**" tab.
